## CV Submissions

At Silvester Fuller we continuously receive and review applications from motivated, talented architects and designers. We may not always have immediate positions to fill, however we do keep a collection of shortlisted CV's on file for future positions.

To assist us in assessing your application, please address the following questions in your application:

- Why are you interested in our studio?
- What type of role are you looking for?
- Are you an Australian resident and, if not, what working rights do you hold?
- Are you currently in Australia? If not when do you arrive and how long are you planning to stay in Australia?
- What type of project experience do you have?
- What experience do you have using Archicad and Rhino?

Please send all applications to: [life@silvesterfuller.com](mailto:life@silvesterfuller.com)

## Current Open Positions

**August 2023**

### Architects

Silvester Fuller is currently seeking suitably qualified and motivated Architects to join our growing team working across a broad range of project types and stages. We currently have multiple positions available and opportunities to work on projects including Public, Commercial, Single Residential, Multi-Residential and not-for-profit, socially responsible community projects in Australia and abroad. The ability to coordinate and document construction packages to a high standard using ArchiCAD will be an advantage.
